Dear Valued Customers,

*Warmest greetings from Dagang Net Technologies Sdn Bhd.*

## ANNOUNCEMENT: EPERMIT STA NEW MODULES (BROKER APPLICATION & EVALUATION)

Reference made to the above subject.

Please be informed that there will be scheduled deployment activities for the **ePermit STA system**, which will include enhancements to the new **STA modules: Broker Application and Evaluation**.

The following table details the deployment activities to take place:

1

Date	Time	Duration
10 <sup>th</sup> July 2025 (Thursday)	18:00 hrs – 20:00 hrs	2 hours

During this period, the **ePermit STA** service accessible at <https://newsta.dagangnet.com.my/> will **NOT** be available.

**To minimize disruption to your business operations, you are advised to:**

1. Plan your activities and transactions in advance.
2. Avoid any activities or submissions within **two (2) hours prior to the downtime**.
3. Print all regulatory documents ahead of the downtime as access to the systems will not be available.

To further clarify these enhancements, **Dagang Net is organizing an online awareness session** as per the following detail:

Date	Friday, 4 July 2025
Time	2:45 PM – 4:30 PM
Link	<a href="https://tinivurl.com/estadnt">https://tinivurl.com/estadnt</a>  OR  <a href="https://teams.live.com/join/487730366207?pwd=kA6BS7HX">https://teams.live.com/join/487730366207?pwd=kA6BS7HX</a> Meeting ID: 487 730 366 207 Passcode: kA6BS7HX

Should you require further clarification or assistance, please do not hesitate to contact our **Careline** at 1 300 133 133 or via email at [careline@dagangnet.com](mailto:careline@dagangnet.com).

Thank You

# Awareness Briefing on the System Implementation

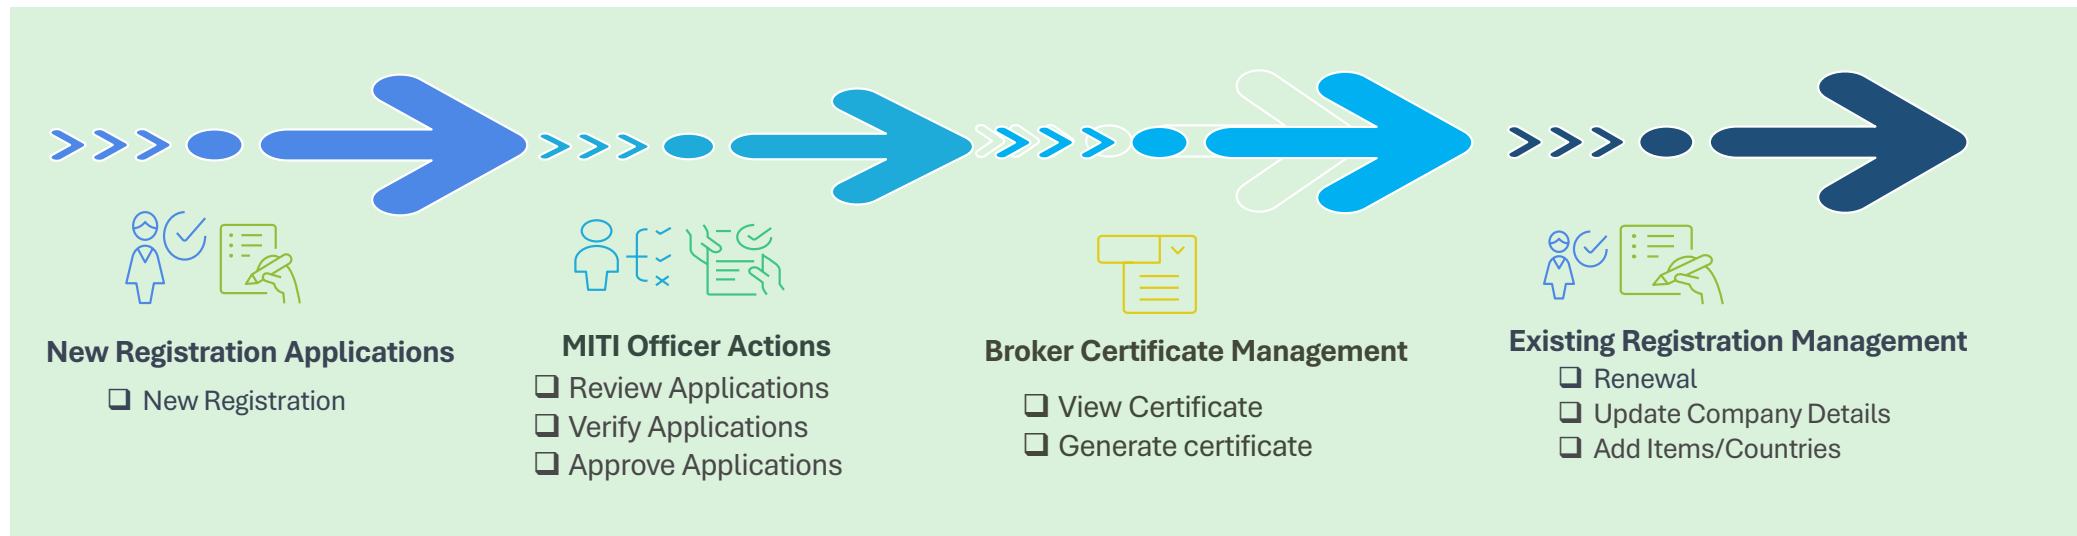

# Overview

## ESTA011: Module Broker

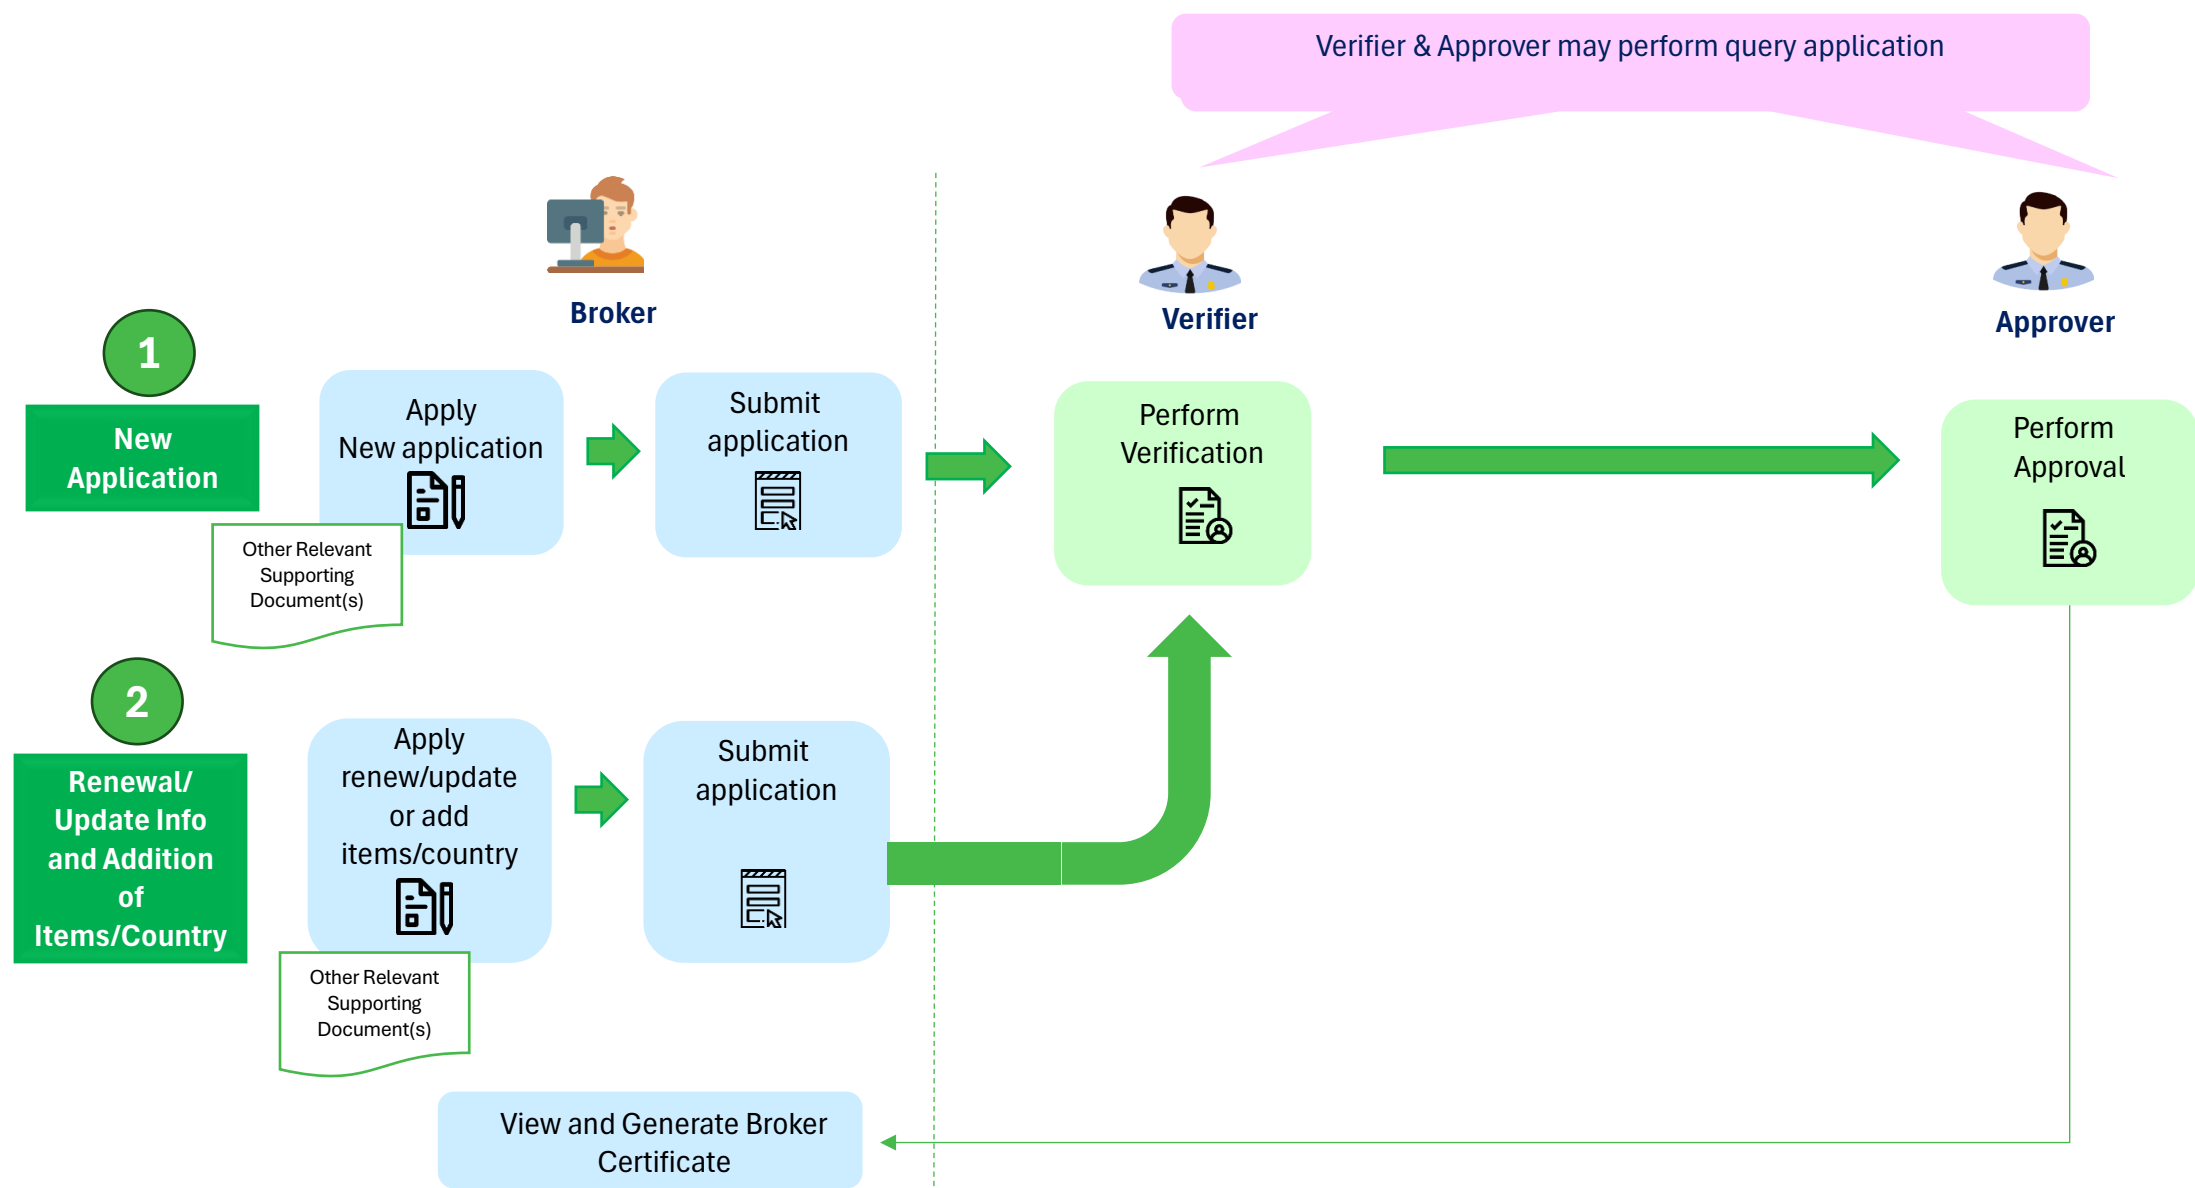

The eSTA system streamlines the end-to-end process for broker registration and management with MITI. It enables brokers to:

- ☐ Submit **new registration applications** online.
- ☐ **Renew** existing registrations, **update company details**, or **add items/countries** to their scope.
- ☐ MITI officers can efficiently **review, verify, and approve** all submitted applications, ensuring transparency and faster turnaround.
- ☐ **View and generate** broker certificates once approved.

*This digital process enhances operational efficiency for both brokers and MITI.*

# ESTA011: Module Broker - High Level Process Flow

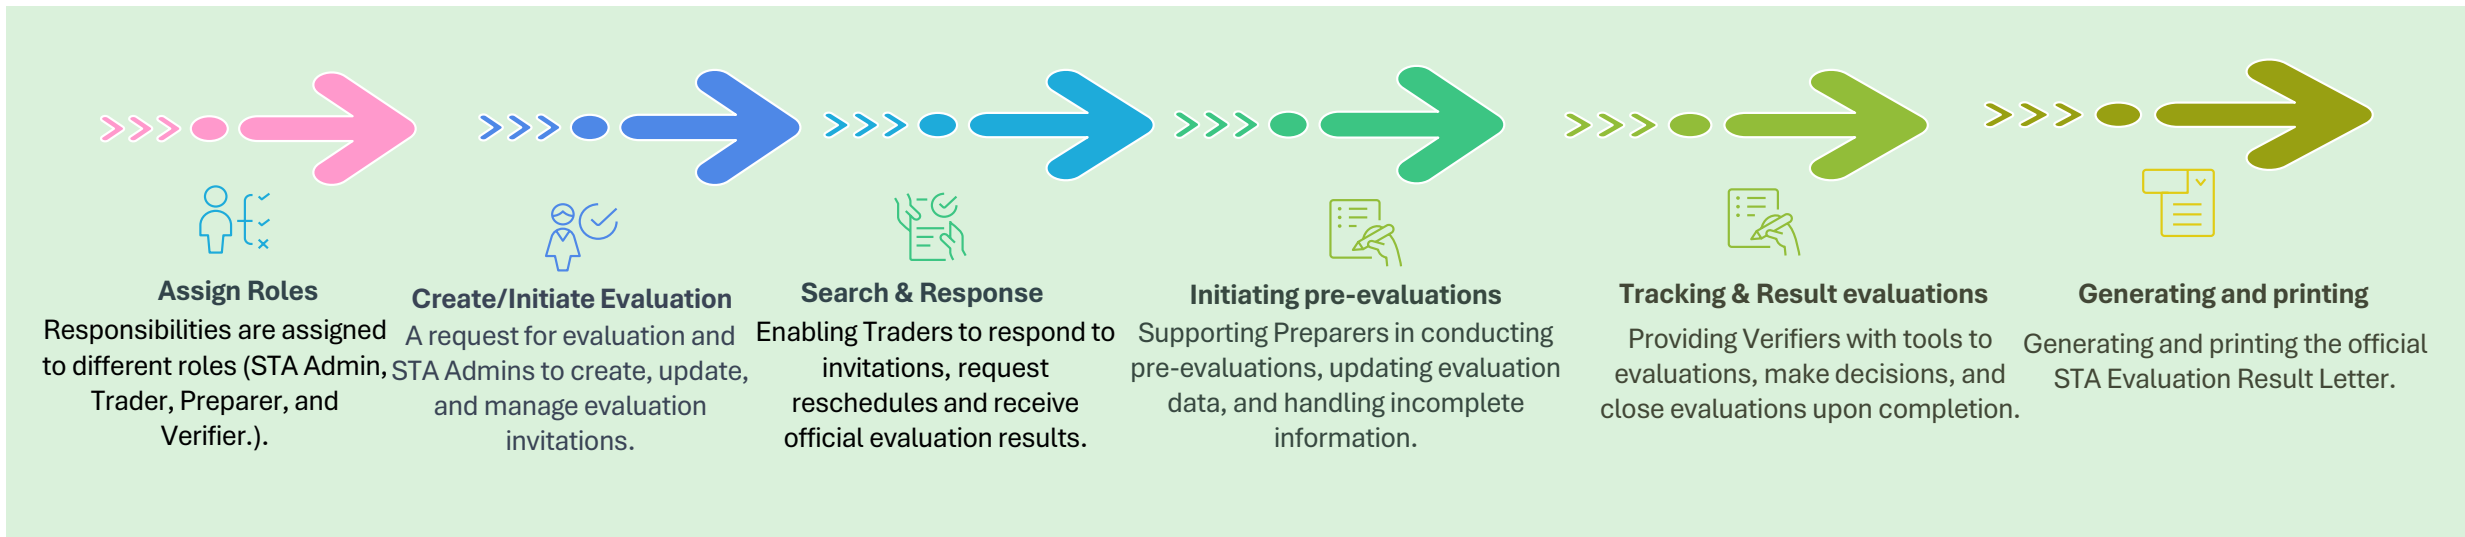

## ESTA013: Module Evaluation

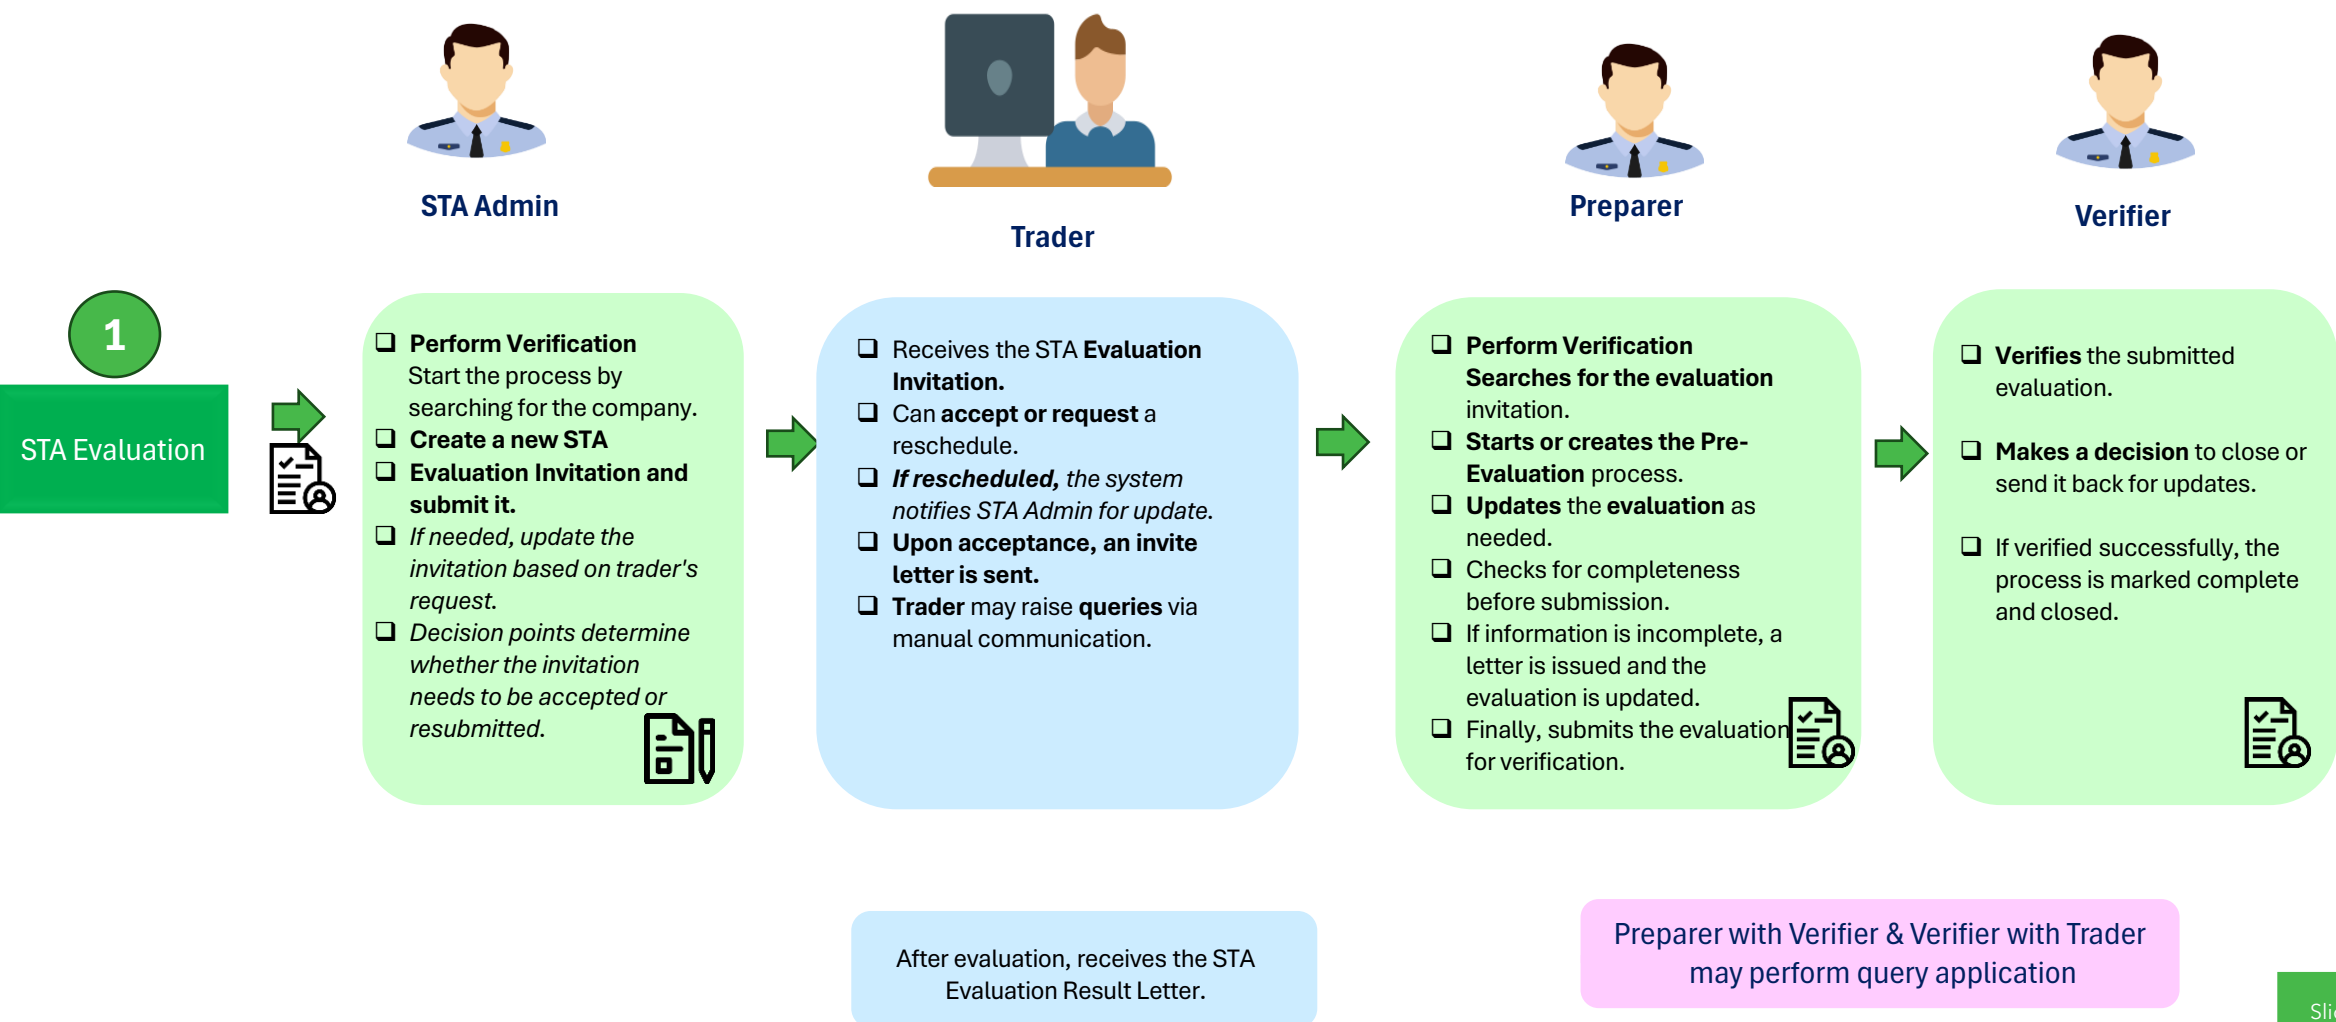

The eSTA system provides a **streamlined process to manage STA Evaluation activities**. Key functions include:

- ❑ **Creating** and managing **invitations** for evaluation sessions.
- ❑ **Searching** and responding to **evaluation** invitations effectively.
- ❑ **Initiating pre-evaluations** and **updating evaluation** records as needed.
- ❑ **Tracking & Result evaluations** through search functionalities.
- ❑ **Generating and printing** the official STA Evaluation Result Letter.

*These features support a structured and transparent evaluation workflow for all involved stakeholders.*

# ESTA013: Module Evaluation - High Level Process Flow

## ESTA011: Module Broker

5 UCs (#1-#5)

**UC-01** – New Broker Application in eSTA

**UC-02** – Approve New Broker Application in eSTA

**UC-03** – Apply Broker Renewal Application

**UC-04** – Approve Renewal Broker Application

**UC-05** – View and Generate Broker Certificate

## ESTA013: Module Evaluation

6UCs (#29-#34)

**UC-29** – Create Evaluation Invite

**UC-30** – Evaluation Invite Search

**UC-31** – Respond on Invitation

**UC-32** – Create Pre Evaluate

**UC-33** – STA Evaluation Search

**UC-34** - Update Evaluation
