INSTRUCTION

- At the time of making each shipment under the attached permit, please send to your foreign importer a written request for proof of delivery. Please include in your request the international import certificate number (if applicable) shown on the front of this Form and request the foreign importer to make sure that this international import certificate number appears on the delivery import verification he receives from his government. You shall submit the documents upon request by the relevant Authority.
- The foreign importer shall be advised of the terms of the items' description as shown on the export/transit/transshipment/special* permit, including the unit of measure (i.e. pounds, kilogrammes, number, etc.) and/or value of items (as applicable) and the foreign importer is requested to make sure that these same terms are used on the delivery verification with the terms on the export/transit/transshipment/special* permit.
- Where international import certificate is involved, please obtain from the foreign importer the delivery import verification issued to him by his government for the items described in the attached export/transit/transshipment/special* permit. If the full amount permitted has not been or will not be exported, delivery import verification shall be obtained for the amount actually shipped. If the items are exported in partial shipments, please obtain delivery import verification for each partial shipment. Delivery import verifications covering partial shipments shall be retained in your files until you have received delivery import verifications for all partial shipments made against the attached permit.
- You are required to keep the original copy of the relevant proof of delivery and delivery import verification which shall be submitted upon request by the relevant Authority.
